

Wear is not the test of good shoes. Clod-hoppers' shoes wear first-rate.

Now when you're trying on that three-dollar shoe of ours (marked down to \$2.50) or a \$4 shoe or a \$5 shoe, feel of the leather and bend the sole—you know your foot bends a great deal sometimes.

If the leather is harsh and the sole doesn't bend, you'll never be comfortable in that shoe.

And yet, if our shoes don't wear well, bring 'em back and get your money.
